## Child Usage Requirements

### Bassinet Usage

This bassinet is suitable for use with children who meet the following requirements:

**Weight:** Up to 20 lb (9 kg) (birth–6 months)

**Height:** 27 in. (68 cm) or less

**STOP** using the bassinet when the infant begins to push up on hands and knees.

### Stand Usage

Only use the Nuna MIXX series bassinet or MIXX series stroller seat on this stand.

For child usage requirements for the MIXX series stroller seat, refer to the instruction manual for that product.

## **⚠️ WARNING**

Failure to follow these warnings and the instructions could result in death or serious injury.

# SUFFOCATION HAZARD

## Babies have suffocated:

- On pillows, comforters, and extra padding.
- In gaps between a wrong-size mattress, or extra padding and bassinet sides.
- **NEVER** add soft bedding or padding.
- Use **ONLY** mattress provided by Nuna.
- Always place baby on back to sleep to reduce the risk of SIDS and suffocation.

- If a sheet is used with the pad, use only the one provided by Nuna or one specifically designed to fit the dimension of the bassinet mattress.
- Bassinet can roll over on soft surfaces and suffocate child. **NEVER** place bassinet on beds, sofas, or other soft surfaces.

**FALL HAZARD:** To help prevent falls,

- Do not use this bassinet when the infant begins to push up on hands and knees, has reached 20 lb (9 kg), or whose height is more than 27 inches (68 cm), whichever comes first.
- Always check that the bassinet is securely locked onto the stroller/stand by pulling up on it.
- Child's movement can slide bassinet. **NEVER** place bassinet on counter tops, tables, or any other elevated surface. **ONLY** use bassinet on a Nuna MIXX series stroller/stand. **DO NOT** use bassinet on floor/ground.

A child's safety is your responsibility. Always provide the supervision necessary for the continued safety of your child. Never leave your child unattended.

**MAKE SURE** stand and bassinet are fully erected and latches are locked before use.

Only use the Nuna MIXX series bassinet or MIXX series stroller seat on this stand. Do not attempt to attach any other items to this stand.

Only use on firm ground that is horizontal, level and dry.

The seat recline must be in the vertical position when using the seat on the stand.

Be certain the stand is fully opened before placing the bassinet or stroller seat on the stand. Fold stand and store away when not in use.

Strings can cause strangulation! Do not place items with a string around a child's neck, such as hood strings or pacifier cords. Do not suspend strings over a bassinet or cradle or attach strings to toys.

Never place product near a window where cords from blinds or drapes can strangle child.

Child can become entrapped and die when improvised netting or covers are placed on top of bassinet. Never add such items to confine child in bassinet.

**DO NOT** place any item on the canopy of this product.

To avoid any danger of suffocation, remove all plastic covers before using this product and destroy or keep away from babies and children!

Keep small parts away from children as they pose a choking hazard.

**DO NOT** make any changes or modifications to this product, that is not specified in this manual.

To prevent a hazardous or unstable condition, do not place more than 3 lb (1.4 kg) in the accessory pocket.

**AVOID FINGER ENTRAPMENT** Use care when folding and unfolding the stand.

**NEVER** use this bassinet as a means to transport an infant in a motor vehicle.

**NEVER** leave child in the bassinet when ascending or descending stairs or escalators.

**NEVER** carry more than one child at a time in this product

**DO NOT** allow child to crawl, sit or play in storage basket or product.

Do not use if any part of the MIXX series bassinet + stand is broken, torn, or missing.

Do not use the bassinet if it is damaged or broken.

## Parts List

No tools are required for assembly.

- 1 Canopy Visor
- 2 Cover
- 3 Bassinet
- 4 Support Mount
- 5 Accessory Pocket
- 6 Attachment Mount
- 7 Bassinet Release Button
- 8 Handle Fold Button
- 9 Removable Liner
- 10 Canopy
- 11 Handle
- 12 Mattress and Cover
- 13 Stand Mounts
- 14 Storage Basket
- 15 Storage Basket Frame Joints

# Bassinet Setup

## Support Mounts

- 1 - Remove the mattress and rotate the attachment mounts out from the center of the bassinet.
- 2 - Unfasten the hook and loop strips and lift the fabric away from inside the bassinet to access the two support mounts, which are located under the fabric at the canopy and foot ends of the bassinet.
- 3 - Holding the top rail of the foot end, push the support mount back to raise the end of the bassinet.
- 4 - Rotate the support mount down towards the latch at the bottom of the bassinet as shown.
- 5 - Push the support mount into the latch on the bottom of bassinet until it clicks into place. Repeat on the canopy end of the bassinet.
- 6 - To fold, push button on the latch and pull support mount out.

## Attachment Mounts

- 1 - Make sure the attachment mounts are outside of the bassinet.
- 2 - Rotate the attachment mounts down the side of the bassinet on both sides until they click into the latch as shown.

Make sure you hear a “click”.

- 3 - To disassemble the bassinet, push the button on the latch on the underside of the bassinet and pull the attachment mount out.

## Canopy

- 4 - To open the canopy, rotate the handle up.
- 5 - The handle will stop in the convenience position for accessing child. To continue to open the canopy further, push the buttons on both sides of the handle and pull handle towards the foot end of the bassinet until it clicks into the fully extended position.

Be sure handle is locked in the fully extended position before lifting the bassinet by the handle.

- 6 - To close the canopy, press the handle fold buttons simultaneously on both sides, and rotate down.

## Sky Drape™

- 1 - Pull out the Sky drape from underneath the flap under the canopy as shown.
- 2 - Attach the magnets on the corners of the Sky drape to the side rails of the bassinet.
- 3 - Unfold the top panel and unzip the bottom panel on the rear of the canopy for more ventilation.

To store, tuck the Sky drape back under the flap underneath the canopy.

## Canopy Visor

- 4 - To attach the canopy visor, zip it to the underside of the canopy on both sides of handle.

Canopy flips in or out for added sun protection.

Unzip canopy to remove.

## Mattress

### **⚠️ WARNING**

To avoid serious injury, always use the mattress when using the bassinet.

- 1** - **CHECK** to make sure the bottom of the bassinet fabric is securely fastened.
- 2** - Insert the mattress into the bassinet so that the opening seam on the mattress is on the bottom.
- 3** - Mattress should be completely flush with the bottom of the bassinet.
- 4** - To wash the mattress cover, unfasten the hook and loop strips on the bottom of the mattress and remove it. Machine wash. Line dry only. **DO NOT** wash the mattress.

## Bassinet Liner

Close the canopy for easier access and remove bassinet mattress.

- 5** - To wash liner, unzip and remove from bassinet.

Always reinstall liner before use of bassinet.

## Bassinet Cover

- 1 - Place the bassinet cover on top of the bassinet so the closed section is on the foot end.
- 2 - Fasten the bassinet cover with the magnets to the sides of the bassinet and at the foot end.

## Stand Setup

- 3 - Pull the ends of the storage basket frame away from each other.
- 4 - The storage basket frame joints should lie flat before attaching an accessory.  
**⚠** Be certain the stand is fully opened before placing the bassinet or stroller seat on the stand.  
Push down on the joints to ensure that the hinge is properly engaged.

## Stand Use

Only use the Nuna MIXX series bassinet or MIXX series stroller seat on this stand.

## Basket

- 5 - The storage basket has 3 compartments for use.  
**⚠** Do not place more than 10 lb (4.5 kg) in storage basket.

## Fold

- 6 - To fold the stand, lift the storage basket frame joints up.

## Stand Use with MIXX series Bassinet

For bassinet assembly and usage, please refer to the bassinet instructions starting on page 10.

The bassinet can be attached both ways on the stand.

- 1 - To attach the bassinet, align the sides of the bassinet with the stand mounts.

Place the bassinet directly down until it clicks into place.

A “click” sound means the bassinet is attached.

- 2 - To remove the bassinet, squeeze the bassinet release buttons (1) and lift up (2).

⚠ Remove the bassinet before folding the stand.

## Stand Use with MIXX series Stroller Seat\*

For stroller seat assembly and usage, please refer to the stroller instruction manual.

The stroller seat can be attached both ways on the stand.

⚠ The seat recline must be in the vertical position when using the seat on the stand.

- 3 - To attach the stroller seat, align the sides of the stroller seat with the stand mounts.

Place the stroller seat directly down until it clicks into place.

A “click” sound means the stroller seat is attached.

- 4 - To remove the stroller seat, squeeze the stroller seat release buttons (1) and lift the stroller seat up (2).

⚠ Remove the stroller seat before folding the stand.

\*Stroller seat sold separately

# Bassinet Use on a Stroller

## Bassinet Attachment on Stroller Frame

The bassinet can be attached in a rear-facing or forward-facing mode when on the stroller frame.

- 1 - To attach bassinet to the stroller frame, align the sides of the bassinet with the seat mounts.

Place the bassinet directly down until it clicks into place.

- 2 - A “click” sound means the bassinet is attached completely.

## Bassinet Removal

- 3 - To remove bassinet, press the bassinet release buttons and lift up.

**⚠** Remove bassinet before folding stroller.

# Cleaning and Maintenance

Clean the frame, plastic parts, and fabric with a damp cloth, but do not use abrasives or bleach. Do not use silicon lubricants as they will attract dirt and grime. Do not store this product in a damp place.

To ensure long-lasting use, wipe the bassinet off with a soft, absorbent cloth after using it in rainy weather and before storing away.

Refer to the care label attached to the bassinet fabric for washing and drying instructions.

It is normal for fabric to color from sunlight and to show wear and tear after a long period of use, even when used normally.

For reasons of safety, only use original Nuna parts.
