⚠WARNING

Failure to follow these warnings and instructions could result in serious injury or death.

Use this car seat adapter with a Nuna PIPA series infant car seat in combination with a BOB® single stroller 2016 and newer models only.

Read all instructions for the PIPA series infant car seat and the BOB® stroller* before use of this adapter.

Check that the adapter and the infant carrier are installed correctly and securely latched before every use.

ALWAYS make sure the child is properly harnessed in the infant carrier.

NEVER leave your child unattended.

DO NOT exceed the maximum weight limit specified for the infant carrier.

DO NOT move the stroller and infant carrier assembly by the handle of the infant carrier.

DO NOT place any accessories on the stroller handle when using the adapter with the infant carrier, as the stroller may become unstable.

The adapter interface may present a pinching hazard. Ensure all fingers and appendages are clear of the adapter when attaching the infant carrier.

*2016 and newer models only of BOB® single strollers

Product Use

*infant carrier not included

1 - Assemble the parts of adaptor together **(1)**.

2 - Listen for a "click" to ensure it is locked **(2)**.

3 - To attach the adapter to the BOB® stroller*, slide the adapter into the receiver sockets with the red lines facing up.

The adapter is locked when you hear a "click" sound and no longer see the red lines.

⚠ Pull out on the adapter to check that it is securely locked to the stroller.

4 - To attach the infant carrier, place the infant carrier onto the adapter and press down.

Listen for a "click" to ensure it is locked.

⚠ Pull up on the infant carrier to check that it is securely locked to the adapter.

5 - To release the infant carrier, press the release button **(1)** located on the back of the infant carrier, and pull the infant carrier up **(2)**.

6 - To remove the adapter, press the release buttons on both sides of the stroller frame **(1)** and then slide the adapter out **(2)**.

⚠ If you have any problems related to using the BOB® stroller*, refer to its instruction manual.

Remove the infant carrier before folding.

*2016 and newer models only of BOB® single strollers
Cleaning and Maintenance

Clean the adapter with a damp cloth and a mild detergent and dry thoroughly. Do not use abrasives.

Check regularly if everything functions properly. If any parts are broken or missing, stop using this product.
